Please consider being a **Backup Donor** to step in when a current donor fulfills their commitment. You can also indicate if you will be willing to be a **Substitute Donor** to cover for a regular donor who cannot serve a scheduled dinner. In either case it is your call whether you provide and deliver a meal or use a check or Paypal to have a meal delivered from Golden Corral. If you decide to become a **Backup Donor** please note that a 5th Day choice limits you to 4 meals a years since each day has a 5th occurrence only once each quarter. All other days occur once each month. Currently we provide meals for 30 adults based on a full house. Adjustable servings recipes are available at www.allrecipe.com.

I expect to pass through this world but once; any good thing therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now; let me not defer or neglect it, for I shall not pass this way again.
